

Enchanting land-sky bang in the center of Porto Rotondo, a short walk from the harbor promenade and a short distance from the two nearest beaches can be reached quickly on foot.

The house, furnished and equipped with impeccable taste, is equipped with every comfort and suitable place to spend a holiday of relaxation and tranquility, but with all the services and entertainment on hand.

It consists of two bright interior living rooms, large veranda overlooking the private garden, spacious and functional kitchen, indoor and outdoor dining room; at the same floor are two bedrooms (one twin and one double) both with en suites.

On the first floor, three double bedrooms and one twin room, all with private bathroom, large terrace with beautiful sea view.

There is also a laundry room / pantry in the basement.

Garage and carport, air conditioning in all rooms, Wi-Fi.
